Your child will be taking a test called the Measures of Academic Progress (MAP). This test will determine your child's instructional levels and help us measure academic growth throughout the year in the areas of Mathematics, Reading, and Language Usage. This test will be administered at least two times before the close of school. This is a test taken on the computer.

Our testing schedule will take place as follows:

January 27 th -31 st	Grades 3 and 4
February 3 rd -7 th	Grades K, 1 and 2

You are invited to seek out additional information on our district website, or feel free to contact me by phone or email with any questions.
