

Mitten Tree

The Palmyra PTA

will be collecting new hats, mittens & scarves

to be donated to families in crisis at Providence House. We have done this for many years & our efforts are warmly appreciated. Donations **must be new with tags** in order for the center to accept them per state laws. They may be placed

on our “Mitten Tree”

in the school lobby thru the 18th of December.

(you can hang the mittens with your child or send them in & we can hang them for you)
