

# KINDERGARTEN SUPPLY LIST

Please send in five sharpened pencils to start the school year. Please do not send in "cute" pencils, the wrapping on them clog the sharpeners. : )

Please Buy EXPO dry erase markers only! Students will use them on the white boards tables.

Please send in only Crayola brand eight pack of crayons. If you can't find an eight pack, please only send in the eight basic colors in a baggie. Crayola crayons work the best!

Please send in two of these Primary Journals. They can be found online, Walmart or a teacher store. It's important that they have the writing lines and a place for the picture.

Please send in two pink erasers. Please do not send the "cute" erasers to school. They often become toys and distract from learning.

Please send in a pair of child's scissors

Please send in ten glue sticks.

Items on this list that will need to be replaced throughout the year are the following: pencils, glue sticks, crayons, EXPO dry erase markers and pencils. You may want to buy in bulk during the Back to School sales.
