The Borough of Palmyra and your Halloween Committee think we should still have a parade! So many people put time and energy into floats, costumes and so much more. We want to see your creations!

Please join us for stroll on Wednesday night at 7PM as we have a mini parade for 2016. Parade Starts on little Broad Street at the Community Center and will end on Spring Garden Street at Filbert by Legion Field. We parade down little Broad, turn on Chestnut Street, make a right on Spring Garden Street and end at Filbert. Find a seat on any of those streets and check out the talent Palmyra residents have to offer.

Anyone wishing to participate in the parade can at the community center parking lot at 6:15, 6:30. You will be able to park on Broad St. in front of Borough hall. We will have candy for the participants and a quick announcement of the awards.

As always, thank you Palmyra for your support!

Palmyra's Halloween Parade is organized by a committee of volunteers.
