Dear Parents,

We are excited to announce that we are offering a full 10 week summer camp program with our friends at the Garden State Discovery Museum. This program will incorporate our maker space, STEAM activities, technology, field trips, exploring reading while earning prizes and water play. The program is open to students in grades PK-8th. The camp will run from June 10th till August 16th.

Cheerfully, Janeen Smith,
Director of
Extended Day Programs

Mission

Westfield Friends' Summer Program provides a fun environment where students can grow physically and academically as they learn to respect individual differences and develop moral values. We provide a safe and nurturing environment for children to participate in creative learning and recreational activities that facilitate the joy of discovery.
