The mission of the Palmyra High School Foundation for Educational Excellence (PHSFEE) is to support Palmyra High School in providing a challenging, enriching educational experience that maximizes the learning potential of every student and prepares students for future success. As committed parents, teachers, community members, and PHS alumni, we also seek to enhance the image of Palmyra High School and to spread awareness of all that it offers to benefit the future of our collective children and our shared community.

PHSFEE is not a school organization but works in partnership with Palmyra High School.
