Dear Parents and Guardians:

Beginning in April, the Palmyra School District will be participating in the Partnership for the Assessment of Readiness for College and Careers (PARCC). Students in Grades 3-8, Algebra I, Geometry, Algebra II, English 9, English 10, and English 11 are required to participate in this assessment.

New Jersey state law requires that the Palmyra School District participate and administer the PARCC assessment. Please be aware that the school district cannot grant permission to a parent for their child to “opt-out” of PARCC. However, if you would like to refuse participation for your child in the PARCC assessment, we request that you send notification to your child’s building principal by March 31, 2016.

In order to plan alternate schedules and maximize instructional time, school administration will need to know how many students are participating in PARCC. If you refused to have your student take the PARCC last year, notification by March 31, 2016 is still required. Please be aware that absences will count against your child’s attendance record.

Scores for the PARCC can be used to satisfy the NJ Department of Education requirement to demonstrate proficiency in language arts and mathematics for high school graduation. Students graduating with the classes of 2016, 2017, 2018, and 2019 are required to demonstrate proficiency by meeting one of the criteria listed below:
