5116- EDUCATION OF HOMELESS CHILDREN

The Board of Education will admit and enroll homeless children in accordance with State laws and New Jersey Administrative Code. The Board of Education adopts this policy to be in compliance with law and Code to ensure the enrollment of homeless children in school and to respond to appeals made by parent(s) or legal guardian(s) or other parties related to their enrollment.

The district will determine a child is homeless when he or she resides in a publicly or privately operated shelter designed to provide temporary living accommodations, including: hotels or motels; congregate shelters, including domestic violence and runaway shelters; transitional housing; and homes for adolescent mothers. A child is also determined homeless when he or she resides in a public or private place not designated for or ordinarily used as a regular sleeping accommodation, including: cars or other vehicles excluding mobile homes; tents or other temporary shelters; temporary shelters provided to migrant workers and their children on farm sites; and the residence of relatives or friends with whom the homeless child is temporarily residing out of necessity because the family lacks a regular or permanent residence of its own.

The district of residence for a homeless child is responsible for the education of the child and will assume all responsibilities as required in N.J.A.C. 6A:17-2.4 et seq. The district of residence is the district in which the parent(s) or legal guardian(s) last resided prior to becoming homeless. The district liaison for the education of homeless children is the Director of Special Education Services. The liaison will facilitate communication and cooperation between the district of residence and the district where the homeless child is temporarily residing and will develop procedures to ensure that a homeless child temporarily residing in the district is enrolled and attending school pursuant to N.J.A.C. 6A:17-2.6.

When a homeless child is living temporarily in the school district, the district liaison, upon receiving notification from the parent(s) or legal guardian(s), the Department of Human Services, a shelter director, an involved agency, or a case manager, will notify the liaison of the district of residence within twenty-four hours of the notification. Upon notification of the need for enrollment of a homeless child, the liaison in the district of residence will coordinate enrollment procedures immediately based upon the best interest of the child pursuant to N.J.A.C. 6A:17-2.6(b).

The Superintendent or designee of the district of residence shall decide the district of enrollment of the homeless child in accordance with N.J.A.C. 17-2.6 et seq.

Unless parental rights have been terminated by a court of competent jurisdiction, the parent(s) or legal guardian(s) retains all rights under N.J.A.C. 6A:17-2.1 et seq.

If a dispute occurs regarding the determination of homelessness, the Superintendent of the involved district(s) or the parent(s) or legal guardian(s) of the child must immediately notify the County Superintendent of Schools, who will decide the status of the child within two working days. If a dispute remains between the parent(s) or legal guardian(s) and/or the districts following the County Superintendent's determination, the parent(s) or legal guardian(s) or the involved Board(s) of Education may appeal to the Commissioner of Education for determination pursuant to N.J.A.C. 6A:3 et seq.
If the district is designated as the district of residence and disputes such designation, or where no designation can be agreed upon by districts, the Superintendents of the involved districts shall immediately notify the County Superintendent of Schools who will make a determination within two working days. The district may appeal the County Superintendent’s determination to the Department of Education pursuant to N.J.A.C. 6A:23-5.2(d), (e), and (f).

If a dispute occurs regarding the determination of the district of enrollment made by the district of residence, the Superintendent of the district of residence shall immediately notify the County Superintendent of Schools. The County Superintendent will determine within two working days where the child shall be enrolled based on the child’s best interest pursuant to N.J.A.C. 6A:17-2.6(b). If the County Superintendent’s decision is disputed, the Department of Education shall provide for mediation in accordance with N.J.A.C 6A:17-2.8(c)1.

A dispute or appeal will not delay the homeless child’s immediate entrance into school. The homeless child will be enrolled in the district designated by the County Superintendent pending resolution of the dispute or appeal. Disputes and appeals involving the services provided to a homeless child with educational disabilities will be made pursuant to N.J.A.C. 6A:14.

Financial responsibility, including the payment of tuition for the homeless child, will be in accordance with N.J.A.C. 6A:17-2.9 et seq. The district of residence shall list the child on its annual Application for State School Aid (ASSA) pursuant to N.J.S.A. 18A:7F-33 for as long as the parent(s) or legal guardian(s) remains homeless and the child is enrolled in another school district. If a district of residence cannot be determined for a homeless child or if a district of residence is outside of the State, the State will assume fiscal responsibility for the tuition of the child pursuant to N.J.S.A. 18A:7B-12(d). The State will pay the tuition, in accordance with N.J.A.C. 6A:17-2.9(c)1., to the school district in which the child is currently enrolled for as long as the child and his or her parent(s) or legal guardian(s) remain homeless.
